

To prepare for the course, you must:

- Complete a BLS for Healthcare Providers course or be able to perform high-quality CPR and use an AED according to the *2010 AHA Guidelines for CPR and ECC*
- Understand the 10 cases in the *ACLS Provider Manual*
- Understand the ACLS algorithms for the cases in the *ACLS Provider Manual*
- Complete the ACLS Precourse Self-Assessment on ACLS ECGs and Pharmacology (ACLS Student Website)

I understand the need for significant precourse preparation, and I understand that without adequate precourse preparation I may not successfully complete the ACLS course.

Print Name _____

Check what you have accomplished for your precourse preparation:

- CPR/AED competency
- 10 cases
- Algorithms for cases
- ACLS Precourse Self-Assessment

Bring this checklist along with your ACLS Precourse Self-Assessment scores to your course.

This checklist gives you information on what you need to do to prepare for this course.

Your success in this course depends on completing this Precourse Preparation Checklist.

Bring this checklist with you to the course.
