(Sugar, Temperature, Airway/Artificial Breathing, Blood Pressure, Lab, and Emotional Support)

DATE: November 7, 2012
TIME: 8:00 AM-1:30 PM
**PLACE: Gallagher Boardroom
Community Medical Center**

Cardiac STABLE–The S.T.A.B.L.E. Program is an educational program designed for all maternal/child health care providers to address the pre-transport stabilization and post-resuscitation care of sick newborns. The cardiac module includes additional guidelines for neonates with severe congenital heart disease (CHD). It is recommended that participants have completed the S.T.A.B.L.E. Program Learner Course prior to reviewing this module."

Criteria for successful completion include attendance at the entire session, satisfactory score on written exam, demonstration of proficiency at skills, and submission of completed evaluation form

Community Medical Center (MNA-05-CMC13) is an approved provider of continuing nursing education by Montana Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.
